

“Creating opportunities for people to make a difference through fundraising”

Why are donations important?

Patients, families and friends are appreciative of the fine care that is provided by Hospice of Palm Beach County. They often want to show their appreciation and help others. Hospice of Palm Beach County is able to continue to provide the “extra” services that are not usually covered under a hospice benefit.

What do donations support?

- Donations ensure that everyone who can benefit from Hospice services is able to receive them regardless of their insurance coverage or ability to pay.
- Music Therapy is available to patients and families, and the community through the Horizon’s Children’s Bereavement Program.
- Helping Hands can assist patients and families with essentials such as utility bills, rent, airfare for family members, food and clothing.
- Caregiver support is available for eligible families to assist in caring for their loved ones by providing help in the home.
- Bereavement support is offered to residents of Palm Beach County to deal with their loss issues after the death of a loved one who was not under Hospice care. Individual counseling and loss-specific support groups are available to the community (SHARE, Sudden Loss, Death of a Parent, Spouse, Child or Sibling).
- Children in the community receive special bereavement care through individual counseling, support groups at the Gerstenberg Center and in area schools, Camp Horizons (ages 7-12) and Sea Star Retreat (ages 13-18).
- Crisis intervention is available for organizations or companies to deal with a life-limiting diagnosis or death of a co-worker.
