

SUPPORTIVE COUNSELING IN MUSIC THERAPY

January 25th and 26th
In West Palm Beach, Florida

This two day, 15 CMTE course is offered to any professional or student music therapist looking to enhance his/her skills in incorporating verbal counseling techniques into music therapy sessions. The course will include many opportunities for participants to observe, experience, and demonstrate active listening, interpreting, and responding skills.

SCHEDULE OF EVENTS

The course will be held onsite at Hospice of Palm Beach County

Friday Jan 25th:	Registration: 8:30-9:00am	Session 1: 9am-12pm
	Lunch: 12-12:45pm	Session 2: 12:45-3:15pm
	Break: 3:15-3:30pm	Session 3: 3:30-5:30pm
Saturday Jan 26th:	Session 4: 9-11:45am	Lunch: 11:45-12:15pm
	Session 5: 12:15-2:30pm	

LEARNING OBJECTIVES

1. Understand and demonstrate advanced listening skills
2. Understand and demonstrate supportive counseling techniques
3. Assist clients in and through anticipatory grief, grieving, loss and bereavement processes

PRESENTERS

Carla Tanguay, MA, MT-BC serves as the Music Therapy Education Lead and AMTA Internship Director at HPBC. Carla has been working at HPBC for 6 years and has served patients in all care settings. She has had articles published in *JMT* and *MTP* and has presented at regional and national music therapy conferences. Carla received her undergraduate degree from the College of Wooster and her Master of Arts in Music Therapy at St. Mary-of-the-Woods College.

Laura Edge, MT-BC is a Board-Certified Music Therapist at Hospice of Palm Beach County. Laura has worked in hospice care for five years. Previously, she served adults in skilled nursing facilities, psychiatric hospitals and homes for residents with developmental disabilities. She has presented for numerous Community Education Events, Social Service Agencies, and a recent FAMT conference. Laura received her Music Therapy degree from The University of Kansas.
